

## **Environmental Engineer III (4-8 years' experience)**

Roaring Fork Engineering (RFE) is seeking a full-time experienced Water/Wastewater Engineer to join our team in Carbondale, Colorado. This position requires a degree in civil, environmental, or other relevant engineering field and between four and eight years of experience in water and/or wastewater design and consulting work. Our geographical market is the Roaring Fork Valley encompassing Aspen, Snowmass, Carbondale, Basalt and Glenwood Springs as well as surrounding resort towns. RFE is an 11-person firm and is planning to expand in the region. RFE promotes a work-life balance and provides a competitive benefits package. All applications will be kept strictly confidential.

Please provide a cover letter with your resume. Must be authorized to work in the US. Visit our website to apply: <https://www.rfeng.biz/careers/>

### Typical Responsibilities:

- Planning, designing, and permitting water and wastewater treatment projects.
- Planning and design of gravity sanitary sewers and force mains, water distribution and transmission pipelines, water and wastewater pump stations, and related infrastructure.
- Perform hydraulic modeling using various modeling software programs.
- Prepare technical memorandums, engineering reports, planning studies, and participate in presentations.
- Production of plans and specifications.
- Coordination with clients and multidisciplinary teams.
- Will typically be working on multiple projects for multiple clients simultaneously.

### Required skills/qualifications:

- Has obtained an Environmental, Civil, or other relevant engineering degree. (Masters preferred)
- Has a PE license.
- 4-8 years' experience working in a consultant's office.
- Proficient in Autodesk Civil 3D.
- Great interpersonal skills necessary for interacting with clients, regulatory agencies, and co-workers.

### Additional Desired Skills:

- Hydraulic modeling using InfoWater

Salary will depend on relevant experience and is estimated to be in the range of \$73,000-\$98,000. Other benefits include:

- Health, dental, vision fully funded. Retirement match.
- Paid time off: sick, vacation, holidays.
- Comp time for hours worked over 40 per week, after a 6-month probationary period.
- Eligibility for performance-based bonus.
- Paid training.
- An Aspen Ski Pass with a flexible schedule to use it, or annual Wellness Credit.
